

Summertime reminders from Mifflin Township Police

With the summer season upon us, the Mifflin Township Police Department would like to remind everyone to watch out for more children in the area and diligently obey all posted speed limits especially those in residential areas. Also, warmer weather brings more crime. If you see something out of place, immediately contact your local police department.

In addition, Mifflin Township Police, like most police departments in the county, offers house checks to residents who will be away from their homes for extended periods of time. Mifflin Police forms can be filled out online at www.mifflin-oh.gov, or call (614) 471-3548 during normal business hours to make your request.

Call or e-mail Lynn Bruno, Mifflin Township public information officer, with questions or for more summertime crime prevention tips at brunol@mifflin-oh.gov or (614) 471-4494 extension 24.
